Stevenson Children’s Camp is a registered Charity that provides an overnight, Monday to Friday camp experience to over 750 young children each summer from London & Middlesex area. All participants are referred to us from many agencies and schools who understand that these children would not otherwise receive such an opportunity to attend summer camp; to explore, create, play, sing and experience new friendships in a safe, nurturing and natural environment. The camp charges only \$20.00 per camper. Many families cannot afford this amount. Groups like yours, personal and corporate donations and the London & Middlesex United Way, subsidize the cost of camp (about \$400/camper). Thanks for booking a stay at Stevenson Children’s Camp. You’ll love it here, we do!
